

Electronic Commerce Certificate

Academic preparation SELF-EVALUATION FORM for admission

Please fill out this self-evaluation form to be used in determining the foundation coursework to be completed as part of Electronic Commerce Certificate. Make the best match you can between graduate and undergraduate courses you have already taken and the equivalent GMU courses. Descriptions of the foundations are included within the GMU catalog and can also be found on the ISE Department web page at <http://ise.gmu.edu>. When you are admitted to the certificate program, you will be advised as to what foundation courses, if any, may be required.
