SELF-ASSESSMENT FORM for
Data Mining Certificate

Please fill out this self-assessment form to be used in determining the foundation coursework to be completed as part of the Data Mining Certificate. Make the best match you can between graduate and undergraduate courses you have already taken and the equivalent GMU courses. Descriptions of the foundations are included within the Data Mining Certificate brochure or the GMU catalog. When you are admitted to the certificate program, you will be advised as to what foundation courses, if any, may be required.
